*For it is written.....*

Before Jesus began his earthly ministry, he spent 40 challenging days and nights in the wilderness. The challenges he faced weren't simply being deprived of food and water. The greater challenge was through the temptations he faced as he was confronted by Satan himself. I'm sure we all recall the temptations; the temptation to feed his physical needs, the temptation to do the spectacular and the temptation to have worldly possessions with all their splendour. In tempting Jesus, Satan even quoted scripture, using every tool available to him in his attempt to trip Jesus up.

It would be easy for us to say that Jesus resisted the temptations of the Satan because Jesus is the Son of God and he relied on his divinity. But I don't believe that is what happened at all. Jesus displayed his humanity in the wilderness as he resisted the tempter and in doing so presents us with a model for how we might resist temptation as it will inevitably come in our lives.

Firstly, Satan tempted Jesus when he was at his lowest ebb, his greatest point of need. He was tired, exhausted and starving. Don't you find that you are more susceptible to temptation when you are tired and hungry. I know for me that when I'm particularly tired I resist having any significant discussions with those who are closest to me until I have rested, otherwise I'm liable to display a measure of irritability. I know when I'm tired I avoid responding to messages on my phone or emails as I'm more likely to say something which I'll regret if I do so. Satan knows what

you're areas of vulnerability are and he will most certainly exploit them to trip you up. Be alert to this and avoid falling into his traps by putting measures in place to ensure that you stay safe. Rest when you are tired. Eat when you are hungry. Have people you trust who can hold you accountable in areas where you are likely to be tripped up. By putting some of these simple measures in place we can avoid so much hurt and pain for ourselves and others.

Secondly, Jesus used the truth of God's word to resist temptation. Each time Jesus was tempted he responded to the lies of the tempter with the truth of God's word by saying, "*It is written....*", each time quoting a passage of scripture. I wonder how well versed you are with the Bible? When was the last time you picked up the Bible and read it for yourself? The more familiar we are with the Bible, the better equipped we are to respond to the challenges of life and indeed others with truth as revealed in and through the Bible.

In an effort to better equip us all in our knowledge of the Bible I present to you the following challenge. Lent begins on Wednesday 18th February with a service in the Clayton Hall at 7.30pm. Why not commit to reading a passage from the Bible, or several passages, each day throughout Lent. Just picking the Bible up and reading from page 1 to the end can be a challenge, one which many set out on with good intentions but can stumble at an early stage. But by using Bible notes each day we are guided through several passages each day from both the Old and New Testament and provided with some devotional thoughts which help us understand what we have read. It only takes about 10-15 minutes each day but the benefits are for all eternity as we grow in our knowledge of and love for God. In preparation for Lent, we have acquired copies of one particular devotional entitled "*Word for Today*". They are completely free and will be available in the foyer in the Cathedral Hall for you to use throughout the 40 days of Lent in the peace of your own home in your own time.

Another challenge I lay before you is to support the Jar of Grace. This is something which we have encouraged during Lent for a number of years now with the idea being to place a glass jar on your meal table and to pause, pray for and give towards a project at each meal time. The project this year is the garden project in South Sudan which encourages children to develop a garden at their school to ensure that every child who attends school receives a meal. This initiative is overseen and supported by Fields of Life, Bishops' Appeal and the Church of Ireland Youth Dept. Jars are brought to church on Easter Sunday.

I trust that if we engage with one or both of these challenges, we will emerge from Lent as followers of Jesus who are taking on more of his likeness.

Every blessing to you all as we journey through Lent together.

## **Revision of General Vestry List**

Each Parish in the Church of Ireland is required to maintain a Register of Vestry Members. Inclusion on this register entitles you to stand for election to serve on the Select Vestry and to exercise your right to vote at our Annual General Vestry meeting. A review of this register must take place in February of each year, with this year's review meeting is taking place at 7.30pm on Monday 16th February 2026, in the Clayton Memorial Hall.

If your name does not already appear on the register and you would like to have it added, you would need to contact the Church Office on 028 9269 3968 or [dromorecathedral@outlook.com](mailto:dromorecathedral@outlook.com) and request a form of declaration which needs to be completed and returned to the Church Office or the Rectory before the review meeting takes place. Those who wish to have their name added to the register have to be 18 years old or above and have supported the Church financially in a recordable manner in the year previous to the review meeting. Recordable financial support is by means of FWO envelopes, Standing Orders, online Bank Transfer or a one off donation where the donation is done in such a manner that a receipt could be provided. Loose offerings on the collection plate do not qualify as recordable giving as there is no way of determining the identity of the giver.

The register must be open for one calendar month prior to the review meeting taking place so will be open and available for inspection in the Church Office from Friday 16th January until Monday 16th February 2026.

## **Update on Rewiring and Service of Dedication**

Throughout the process of preparing to tender for the work of rewiring the Cathedral, we have been working from estimates provided by Quantity Surveyors engaged by our M & E Consultants. The estimated figure we have been advised of was approximately £195,000 inc of VAT. Now that we have completed the tender process and appointed contractors, we are in a position to report that the actual contract price is in the region of £225,000 inc of VAT and the contractors appointed are a local firm, Adair Electrical. The Select Vestry remain confident that if we stay focused on the task of fundraising, we will achieve this figure and still have sufficient funds in the account to cover 6 months operating costs, something which is strongly advised by the Charity Commission. We remain indebted to those parishioners who have already contributed to the overall costs and would appeal to those who haven't to do so through the envelope system or by supporting one of our fundraisers. Bishop David will be dedicating the new electrical system at a special service at 7.30pm on Friday 15th May 2026.

## **Leprosy Mission - Thanks**

Sincere thanks to Tommy Wilson for his co-ordination of the annual collection and to all who contributed to the fantastic amount of **£650** raised. This work can be supported using Boxes available in the Tower Porch.

Tommy has been coordinating these collections since 2010 and now feels that it is time to hand over the reins to someone else. Elizabeth McKnight has very kindly agreed to pick up the reins and continue the important work of coordinating these donations.

Very sincere thanks to Tommy for all his service and to Elizabeth for taking on this new role for her.

## **Pancakes for South Sudan**

On Sunday 22nd February 2026 we are encouraging the church family to come to church a little bit earlier that morning and feast on pancakes along with tea/coffee prepared by our young people from BOOST, suitably supervised by their leaders!

The proceeds from this initiative will go a long way to providing food for children attending school in South Sudan through the provision of school gardens which enable children to grow vegetables which will ensure that every child is fed every day they attend school. This initiative supported by Fields of Life, Bishops' Appeal the Church of Ireland Youth Dept. Please do make a special effort to come to church early that morning and support this very worthy initiative.

## **Mothers' Union Overseas Meeting**

Our February meeting will be on Wednesday 25th at 8.15pm in the Clayton Hall, in order to facilitate anyone wishing to attend the Lenten Service in the Cathedral Hall, which starts at 7.30pm. We welcome the Rev Geoff Hamilton (Titch) who will be speaking about the work of SAMS. As this is our Overseas meeting we will collect any Overseas money and would appreciate if it is put into an envelope with your name on it. Anne

### **Lenten Services for 2026**

Each Wednesday evening throughout Lent, commencing on Ash Wednesday 18th February, we will gather at 7.30pm in the Clayton Hall for a time of worship, reflection and prayer.

Services will last for around 30 minutes and will provide a great opportunity for us to ground our own personal journey through the wilderness of Lent in a corporate act of fellowship and worship.

## **JOY**

JOY has been a rich blessing to many folks over the past 5 years or so. It has been faithfully led by Jane Russell and Beverley McClearn, who have now decided that the time has come to step back as they both focus on other ministries and family life. Sincere thanks to both Jane and Beverley for all that they have given in service through JOY.

## Service of Confirmation

To be confirmed means to take ownership of your faith, to claim it as your own and to declare it with your lips and your life. If you were baptized as an infant, confirmation is the time an opportunity for you to make your promise to God that you are going to take responsibility for the vows that your parents and god parents made on your behalf at your baptism.

If you are interested in being confirmed, we invite you to come along to an information event, along with at least one parent, at 4pm on Sunday 1st March in the Clayton Hall. Confirmation preparation will take place at the same time each Sunday afternoon in the Clayton Hall and should last no longer than 90 minutes. There will be 7 consecutive sessions (with the exception of Easter Sunday, 5th April) in which we will explore who Jesus is, examine why he came to earth and determine what it actually means to be a follower of His.

The actual service of confirmation will take place on Sunday 3rd May at 3pm in the Cathedral.

Confirmation isn't just limited to young people, as adults who have not yet been confirmed can also elect to be confirmed in their faith. If you would like more information about confirmation as an adult, please do contact Geoff as soon as possible and he will talk through with you what is involved by way of preparation for this important step on faith.

## Car Wash

Our first car wash of 2026 will be held on Saturday 7th February 9.30-11.15am at the Cathedral Hall. Thank you to everyone who has supported this fundraiser, either by giving up their Saturday morning to wash cars or by bringing your car to be washed. So far over £1,200 has been raised with this single fundraiser which will go towards the rewiring project of the Cathedral.

## Spring Social

Back by popular demand! Following a successful evening last September, our Spring Social, by Embrace Socials, will be held in the Cathedral Hall on Fri 6th March at 7.30pm. Tickets are on sale priced at £10, and are available from the Cathedral Office or Vestry members.

## Date for your Diary

As mentioned at our Christmas Afternoon Tea, a fundraising Daffodil Afternoon Tea is to be held on Saturday 18th April at 2pm in the Cathedral Hall. Come and bring your friends. More details next month.

## The Table

You are invited to come to 'The Table' for a community lunch every 3rd Thursday of the month in the Cathedral Hall.

The table, amongst other things, is a symbol of family, friendship, community, and God's faithful presence. A place we hope to be known and loved. We see it in the Bible as a place where God dwells with and provides for His people. He sets a table for us and joins us around it.

We want to provide a welcome at The Table for anyone in our community, especially those who are older, retired, or find themselves at home and able to take a midday break in their work routine. Think all generations!

We hope this will encourage each person in a relaxed setting: in friendship in conversations, faith in Jesus, enjoying food around tables.

Some of our cathedral pastoral care group will also be available to come alongside and chat. We are aware that in encouraging all our senior folk to come that transport may be an issue. Please contact the office if you would like to arrange a lift.....

Our first Table is planned for Thursday 19th March at 12noon - 1.30pm.

We hope to serve soup and bread along with a cuppa and sweet treat.

Please pass the word, and let us know if you hope to come just to give us an idea of numbers for catering purposes. (There will be a donation box should you want to contribute.)

Also, if you'd like to help the kitchen team, or provide home-made soup/sweet treats please let us know.

## ***A LOOK AT LIFE WITH THE RECYCLED TEENAGER - Challenging Times***

I don't know about you but the older I get the more things change and the less I understand.

Does that ring a bell with anyone else? I suppose what I mean is that life around me seems so different to life when I was a young adult. It's like all the goal-posts have moved! I'm not sure what to make of it all.

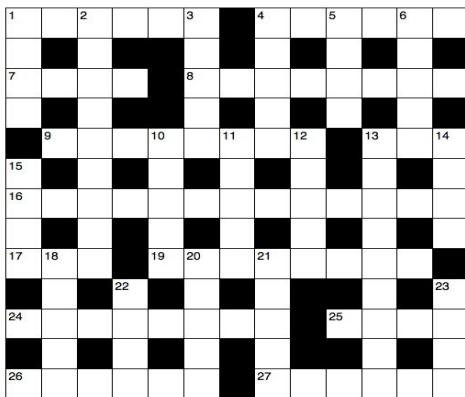

Anyone who remembers growing up during the war and is still alive must be totally bamboozled by the amount of social change that has taken place in the last 80 years. I'm just trying to reconcile the last 40. As a Christian, I find that society's attitudes to the basics of life like birth, marriage and death are no longer to be taken for granted. Our country's laws have changed on the first two and soon we will see assisted dying laws coming into legislation. Change is a fact.

I've not marched since I was 18 years old (in a pipe band) but recently I took an interest in The March For Jesus that was on in Belfast. I was not able to attend due to family commitments but I felt the agenda and tone of this demonstration was one of putting Jesus first and celebrating His love for this imperfect nation.

So what should my response be? Ignore it all? Remonstrate- 'What is this world coming to?' I feel strongly that Jesus would want me to have an opinion on the social and moral issues of today. It is not for me to judge though; 'he who is without sin throw the first stone'. What would Jesus do? I can look to what He did do, in The Gospels. His compassion was for people who were not acceptable to the religious leaders of the day. People who did not appear to be following the rules but who became irrevocably changed by Jesus. He died for us all. No one is beyond his love.

### **Church Services**

The rewiring work has commenced in the Cathedral and will last for 12 weeks during which time there will be one service each Sunday morning at 10.45am in the Cathedral Hall. It is hoped that we will return to worshipping in the Cathedral on Sunday 19th April, if everything goes to plan. Please do continue to pray for this vital work and for protection over the contractors and the Select Vestry as they manage this important work, specifically raising the necessary finances. And please do continue to make attending your place of worship a priority for you and your family.

## **The Cathedral Choir at Carols by Candlelight with Rev David McCarthy who was Organist and Choirmaster for the service.**

### **Choir**

The Cathedral Choir are intending to have some practices and fellowship between now and Easter. If you would like to come along (dates TBC), please speak to any member or check social media for more information.

### **Praise Group Leader**

Karen Bowden stepped down from her role as Worship Leader at our more informal services at the end of 2025 following around 11 years of faithful service. We marked the occasion at the United Service in the Cathedral Hall on Sunday 25th January 2026 with the presentation of a gift and flowers from parishioners who contributed. Karen has very generously agreed to "help out" until such times as a new Worship Leader has been appointed.

Karen, very sincere thanks to you for all that you given over so many years; you have been such a blessing to so many of our worshipping community.

## Annual Sit-Out

A very sincere thank you to everyone who supported our annual efforts in support of the Evora Hospice Services. Our annual sit-out at SuperValu and outside Taste Cafe, together with our Community Carol Service raised a fantastic figure of £2,558.25.

Every single penny will go towards providing support for clients and their families in both the Hospice and in the community, ensuring that whatever remaining time families have with their loved ones is very special. Thank you to everyone who gave so generously in support of our efforts.
